With Teladoc Health’s comprehensive suite of Case Management services, PruBSN customers can expect high quality, personalised support.

Actively-practising and locally licensed Physician Case Managers

Assistance with medical concierge, if necessary

On-going follow up and support for as long as you require

Professional support throughout your medical journey

We know how tough it can be to make critical, life changing decisions for serious medical conditions. That is why, we have enhanced our holistic healthcare proposition by partnering Teladoc Health to provide personalised medical support and guidance from diagnosis, treatment, through to recovery.

“My oncologist recommended immune therapy. Is this treatment best for me? Are there other options?”

Teladoc Health: An in-depth review based on the latest research and development in the medical field

“I have received very different diagnoses from various doctors. What do I do?”

Teladoc Health: Access to a panel of multi-disciplinary experts to provide a holistic view of your medical condition

“My orthopedic doctor recommends surgery. When do I know it is the right time?”

Teladoc Health: Peace of mind about treatment plans and clarifications regarding the next steps

“Something is not right with my daughter’s heart. Who is a cardiologist I can trust?”

Teladoc Health: Recommendation of leading specialists globally

“I have recently undergone chemotherapy. What should I be monitoring on a regular basis?”

Teladoc Health: Unlimited access to the Physician Case Manager for ongoing advice and support
