Imagine if you are no longer around, can the future of your loved ones be secured?

Introducing **PruBSN WarisanPlus**, a Takaful plan that provides security and assurance of your legacy for your loved ones.

¹ The Star, 2016

PREPARATION FOR UNFORTUNATE CIRCUMSTANCES

What happens if you are alive but disabled? Who will take care of you and your family at the same time?

Patients and their family members spent **nearly 40%** of their total income to finance outpatient stroke rehabilitation treatment.²

Yes, the medical card that you own will pay for the hospital bills, but do you know that hospital bills are just a small portion of the actual costs? Have you ever thought of the actual consequential costs?

With PruBSN WarisanPlus, it entitles you to compensation which you can use for:

Replacement of income

Alternative medical treatments

Caretaker bill and post hospitalisation expenses

Increase in household expenses during recovery

Most importantly, you and your family will be able to focus on the journey to recovery more peacefully.

WHAT IS TAKAFUL?

An arrangement based on mutual assistance under which takaful participants agree to contribute to a common fund providing for mutual financial benefits payable to the takaful participants or their beneficiaries on the occurrence of pre-agreed events.

Section 2(1) of the Islamic Financial Services Act 2013

Takaful is derived from Arabic word '*kafala*' which means **"Joint guarantee" or guaranteeing each other.**

Takaful literally means responsibility, guarantee, collective assurance and mutual undertaking. Broadly speaking, takaful is founded on the cooperative arrangement (*Ta`awun*) based on principles of mutuality and solidarity, encompassing the elements of joint indemnity and common interest.

There are three (3) aspects of mutuality embodied in takaful, namely mutual help/assistance, mutual responsibility and mutual protection.

When a person participates in a takaful scheme, he does not only seek protection for himself but also jointly cooperates with other participants to mutually contribute to one another in case of need.

// **MUTUAL ASSISTANCE** //

// **MUTUAL PROTECTION FROM LOSSES** //

// **MUTUAL RESPONSIBILITY** //

In essence, takaful is based on the principle of **"*Ta`awun*" (mutual cooperation / assistance)**
as such the act of participation is ***Tabarru`at* (charitable) in nature.**
