What is Lindunggi?

It is important for you to inform your nominee about this takaful coverage and nomination.

Protect your home for your family	Provide your loved ones with the basic need of a proper shelter even when you are no longer around. Use the lump sum of cash provided from this plan to pay off your mortgage to secure a home for your family if the unexpected happens to you.

How much do I contribute to this plan?

Your actual contribution amount will depend on the following:

- Age
- Health status
- Amount of coverage
- Occupation (if applicable)
- Gender

You will be paying the contribution until the expiry of the certificate and the contribution amount will change as you get older.

Who can participate in this plan?

You can participate in this plan from as early as 19 years old and as late as 60 years old.

What are the charges and deduction?

The basis of **Lindungi** is the *Wakalah bi al-ujrah principle* where we place your contribution into the *Tabarru`* Fund after deducting an Upfront *Wakalah* Charge. This is a fee for the services we provide. The total contribution quoted is inclusive of any Upfront *Wakalah* Charges and *Wakalah* Certificate Charges.

The table below has the details of charges and deduction.

Type of charges/deduction	Details of charges/deduction
Upfront <i>Wakalah</i> Charge	This charge is used to pay distribution related expenses as well as for managing and investing the <i>Tabarru`</i> Fund. The charge will be 40% of your contribution.
<i>Wakalah</i> Certificate Charge	There is no <i>Wakalah</i> Certificate Charge for this plan.
<i>Tabarru`</i>	The amount of contribution net of <i>Wakalah</i> charges, determined based on your age, gender, health status, occupation (if applicable) and amount of coverage for the duration of the coverage.

Why is it important to do nomination?

The purpose of taking up a family takaful plan is to ensure that your loved ones are protected financially should anything happens to you. It is then important that your loved ones can access the funds quickly. If you do not make a nomination in your takaful certificate, your takaful provider is not obligated to release the certificate benefit funds until your loved ones obtain a Grant of Probate or Letter of Administration or Distribution Order, which may take several years. However, if a nomination is made, the certificate benefit funds can be disbursed much faster without the need to obtain the Grant of Probate or Letter of Administration or Distribution Order. It is important for you to inform your nominee about this takaful coverage and nomination.

WHAT IS TAKAFUL?

An arrangement based on mutual assistance under which takaful participants agree to contribute to a common fund providing for mutual financial benefits payable to the takaful participants or their beneficiaries on the occurrence of pre-agreed events.

Section 2(1) of the Islamic Financial Services Act 2013

Takaful is derived from Arabic word '*kafala*' which means **"Joint guarantee" or guaranteeing each other.**

Takaful literally means responsibility, guarantee, collective assurance and mutual undertaking. Broadly speaking, takaful is founded on the cooperative arrangement (*Ta`awun*) based on principles of mutuality and solidarity, encompassing the elements of joint indemnity and common interest.

There are three (3) aspects of mutuality embodied in takaful, namely mutual help/assistance, mutual responsibility and mutual protection.

When a person participates in a takaful scheme, he does not only seek protection for himself but also jointly cooperate with other participants to mutually contribute to one another in case of need.

/// **MUTUAL ASSISTANCE** ///

/// **MUTUAL PROTECTION FROM LOSSES** ///

/// **MUTUAL RESPONSIBILITY** ///

In essence, takaful is based on the principle of **"*Ta`awun*" (mutual cooperation / assistance)** as such the act of participation is ***Tabarru`at* (charitable) in nature.**
